

Exploring Taizé:

An evening of music and liturgy from the Taizé Community.

6pm Sunday 18th May 2008

St Aidan's Church, Sudden, Rochdale

A fantastic opportunity to learn more about the beauty and richness of the music and liturgy of this contemporary community in France.

The evening will begin with a short workshop looking at the music from Taizé and how it can be used in non-Taizé services, followed by a short service of prayer and music following the pattern used in Taizé.

No booking necessary, simply turn up!
